

Nissan Forklift

Nissan takes immense delight in attaining overall client satisfaction, when their customer is experiencing one of their many products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and detail-oriented quality standards to their customers. Incorporating a rich heritage combined with strong production principals, Nissan Forklifts supply a few of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide desires of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the company has four distinct production facilities that allow them to persistently adapt to their consumers continually evolving requirements by offering a range of innovative ideas and designs.

The Nissan Forklift North and South American center is stationed in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the support, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to preserve environmental accountability by utilizing methods that diminish the worldwide impact of their products and processes. These high values remind customers that Nissan operates under the quality seal that their clients demand whilst being an environmentally responsive corporation.

Nissan is quite certain that any of their customer's queries and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
